Subject: Project Acceptance Confirmation Letter – "Stock Price Prediction"

Dear Infant Raj,

With reference to your request regarding the academic project titled "**Stock Price Prediction**", we are pleased to inform you that **NuetreX** has accepted your proposal for conducting the said project as part of your academic curriculum.

Your project, which aims to leverage machine learning models to analyze and predict stock market trends, demonstrates a strong grasp of financial data analysis and modern predictive technologies. Your proposed approach showcases a commendable initiative in applying complex algorithms to real-world financial challenges.

Please ensure that all proprietary data and company resources provided are used strictly for academic purposes and are maintained with complete confidentiality. Kindly coordinate with the assigned project mentor from our team for further guidance and assistance.

Sincerely,

J R J
